JAMES N. HATTEN, Clerk  
By:  Deputy Clerk

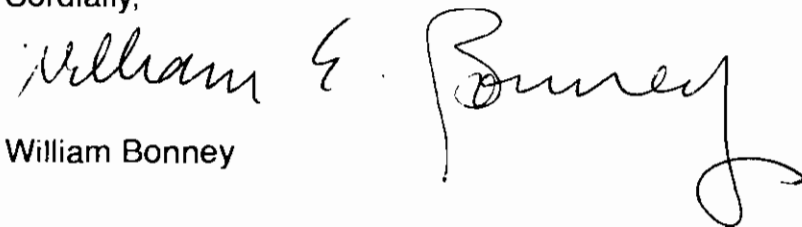

Dear Sir or Madam:

I believe my data was breached because of shoddy security at Equifax and I am owed a settlement in re: Equifax Inc. Customer Data Security Breach Litigation, Case No. 1:17-md-2800-TWT.

I object to the way the settlement is proceeding; it's not fair nor reasonable. One reason is that Equifax is creating roadblocks for me to get my settlement. I filed a claim on July 29, 2019 (Claim Number: PRWLYBNDVK). On September 7, I got an inconspicuous email that asked for verification and additional information (the name of my credit monitoring service). I happened to notice the email before it went in my spam folder, which is probably where Equifax was hoping it would go.

I feel decieved by the way the settlement is proceeding.

Cordially,

  
William Bonney
